Please pay your business' outstanding gas bill

Dear Business Customer

What happens if you don't pay?

Your outstanding bill will be managed by our Escalated Collections Team. They can refer your business' account to a debt collection agency, who would arrange for your payment to be collected. You would be charged for the costs of this collection.

We also share late payment information about your business with credit reference agencies. This could affect your ability to get credit or borrow money. For example, you might not be able to obtain goods and services on credit or arrange a bank overdraft.

Help and support with your payments

If you are having difficulty paying your energy bills, or if a change in your business' circumstances has caused you to miss payments, please contact us on 0800 001 5226 as soon as possible as we may be able to help. We may be able to arrange a repayment plan for you.

Already made a payment?

If you've paid, or made an arrangement with us to repay this balance in the next few days, then please accept our apologies for this letter.

Thanks for being a ScottishPower customer.
